

tower symbols challenge

Draw a line from each symbol to the correct # location on the grid of the tower!

Triangle & Circle Signifies the eternal nature of the Holy Trinity

XP Represents Chi Rho of the Greek alphabet and is one of the most ancient symbols for Christ

Rooster Stands for the Resurrection because the cock announces the dawn of each day

Inverted Cross A symbol of St. Peter who was crucified in that position

Lamp Represents Christ, the Light of the World; also truth, knowledge and enlightenment

Double-Edged Sword Represents St. Paul; it is the sword of Power and the Sword of Spirit

Crown Represents the crown of Glory and acknowledges "Our Lord, the King forever"

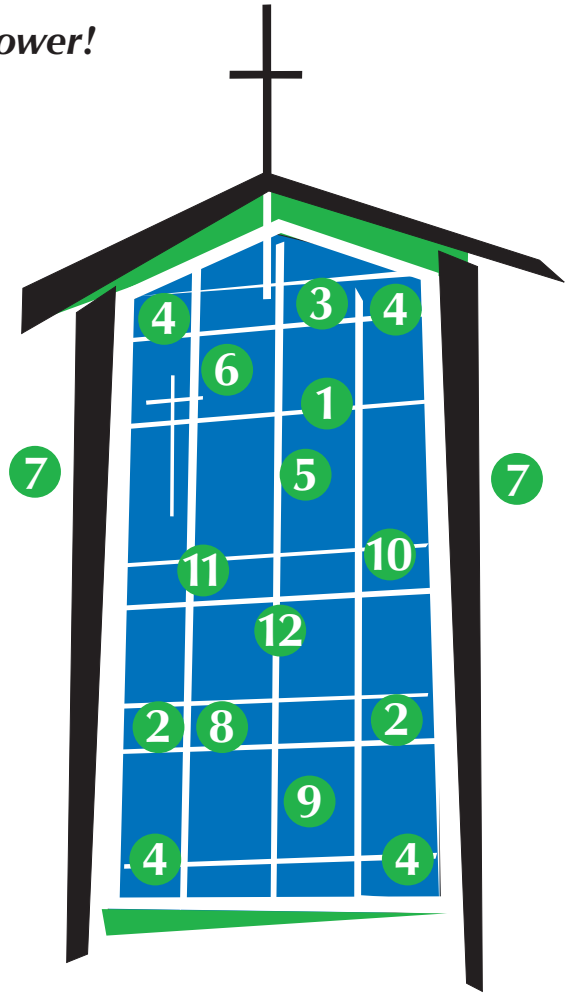

Alpha & Omega The first and last letters of the Greek Alphabet. On this grill they mean "Jesus Christ and the church forever, from the beginning to the end"

Patriarchal Cross A cross with two horizontal arms; the upper is slightly shorter and represents the inscription placed over the head of the Savior when He was crucified

Anchor Set upright this anchor forms a cross which denotes "Our hope in Christ," or "Jesus Christ, anchor of the soul"

Four Short Rods Dispersed in the grille denoting strength, authority, influence, and power.

IHS Appearing on the sides of the tower and not seen in this picture is an abbreviation of the Greek word IHCOYC for Jesus
