## C. Abuse and Harassment Policy Summary

*Recognizing God's tender love and concern for children and adults, we believe that it is Trinity Lutheran Church's responsibility to do everything reasonably possible to protect the children and adults of the congregation from any form of abuse while they are under our care. While it is impossible to completely protect those in our care, it is necessary that we take all reasonable precautions. It is also our responsibility to educate and guard our employees and volunteers from being suspected or falsely accused of wrongful behavior toward any youth or adult of this congregation. Therefore, we have created the following guidelines for the prevention of Abuse and Harassment within our congregation.*

### **Guidelines for Those Working with Children and Youth**

1. Adults who have been convicted of either sexual or physical abuse should not volunteer services in any church sponsored activity or program for children or youth.
2. All volunteer or paid staff working with children or youth are required to be active worshipping participants of Trinity Lutheran Church for a minimum of six months and/or agree to a background check and an interview with the pastoral staff.
3. Volunteers and paid staff should observe the two adult/open door policy, which requires that an adult working with children or youth be accompanied by an adult partner and/or provide visual access to the room.
4. Volunteers and paid staff should avoid or limit situations where they may be the only adult in situations with children or youth off-site.
5. Volunteers or paid staff should immediately report suspected or inappropriate behaviors to the Youth Director or Church Administrator.
