

## Vision 2012

**Understanding the core of the Christian experience to be communal, TLC members joyfully and actively invite friends, neighbors, family, and colleagues to join us for worship and other programs offered through our ministry. The purpose of all activities from worship to service to learning to fellowship is to serve God by loving the world as God loves us.**

To progress toward the realization of our vision for Trinity, in 2012 we are going to turn our focus outward and concentrate on loving the world by inviting the world into our family at Trinity. We are going to create an environment where we are willing to share our excitement about Trinity with people we know, people we do not know, people who are looking and people who need assistance. By the power of the Holy Spirit at work in us, we are going to

1. Reactivate the Worship and Witness commission to equip the saints at Trinity to go out into the world to talk with others about God and about our church, and to revitalize worship to make it real and meaningful to all who participate.
2. Empower our new members to be fully engaged in the congregation.
3. Cherish our members by initiating contact with those we have not seen in a while.
4. Invite our friends to worship with us or to participate in our programs.
5. Develop a means to warmly invite all who use our building to join us in worship, education, fellowship, and community outreach.
6. Reach out to the people in the community by using our talents to present programs of general interest to people of various ages and needs.

Jesus said come and see, and we are going to go out and do likewise.

*I do all this for the sake of the gospel, that I may share in its blessings.*  
1 Corinthians 9:23

### Progress Toward Our Vision

At the annual meeting on February 5, 2012, the congregation affirmed the Trinity Vision Statement and voted to adopt the goals on the reverse side.

To achieve our goals, we will need everyone's help. In addition to volunteering to participate on one of the Vision Teams, you will also be instrumental to the success of our programs if you attend an event, bring a friend to church or to an activity, or pray for Trinity.

If you want to help out, the following people have volunteered to lead an effort:

- Anne Clites : Community Building/Fellowship
- Ken Dill: Engaging New Members in the congregation
- Joyce Morris : Marketing/Advertising
- Rita Paye: working with the Youth Vision Team; developing Youth Activities
- Anne Baird: Educational Programs

Contact them or look for announcements of upcoming meetings and events.

Complete copies of the Trinity Vision Statement are available on the Trinity website [trinityaa.org](http://trinityaa.org) or from the church office.
